

## ***International Competitor in Lakeland***

### **Sebastian Runge & Stan Williamson**

This photo was taken to-day (2011 12 05) by yours truly at the State Tournament in Lakeland, FL. Sebastian flew to Florida from Germany to be able to participate in a 75 Point Tournament!! I think he must have been reading Wilbur's articles!! Lol

For his first 75 Point match he was able to partner with Stan Williamson, one of Florida's most colourful and successful shufflers. Kudos to Stan for matching up with one of Germany's very best shufflers. When I left the Lakeland courts this morning, Stan and Sebastian were leading.

Sebastian is a regular shuffler in the International Scene, shuffling in every ISA event since the 25<sup>th</sup> ISA Anniversary event in Lakeside, OH.
